

Key Stage 2- Family ideas for the Easter holidays

During Lent we have enjoyed using 'The Archbishop of York's Youth trust' resource 'Look In, Look Out for Lent' during our Collective worship.

The Youth Trust team have now created the YLA at Home for KS1, KS2 and KS3 children. The resources are teacher and parent friendly, and are free to download and share. No sign up is needed, simply view and download. The family ideas grid focuses on serving our community and may give you some additional ideas to support those around you. Please see the link below

Easter crafts Here's a few Christian focused crafty ideas

- Decorate an Easter egg (chocolate or egg shape from card) with images of a Christian Easter -to show Jesus' love, compassion and hope. Perhaps focus on symbols of salvation.
- Design an Easter card/ bookmark for a parent, Grandparent or member of the community. Think about how Jesus represents salvation and freedom for Christians
- Make stained glass window crosses using tissue paper. Hang these from windows or outside in trees as a sign of hope.
- Can you make a prayer jar? Use lollypop sticks inside your jar to pray for those around you, those you know and love and those working hard to keep us safe.

Songs for Easter Enjoy listening to:

- My Lighthouse and /or Build your kingdom here- Rend Collective
- Bless the Lord oh my soul and /or You alone can rescue- Matt Redman
- How Great is our God- Chris Tomlin
